THE HOPE OF GLORY

Jesus came into to this hopeless world to give it hope. Jesus is the hope of glory. Col. 1:27

What is hope? The definition of hope is “a feeling of expectation and desire for a certain thing to happen.” Hope is essential for every believer. Hope is part of faith. Heb 11:1 Now faith is the substance of things hoped for, the evidence of things not seen. In order for faith to be active, you have to have hope for something. As this scripture says faith is the substance of things hoped for. What are you hoping for? If we have no hope, then how can faith kick in when we are hoping for nothing?

Hope is as important as faith; they are vital to your walk in the Lord. The bible says we are saved by grace through faith. The bible also says Rom. 8:24 For we are saved by hope; but hope that is seen is not hope: for what a man seeth, why doth he yet hope for?

Hope is involved in your salvation just as much as faith is, and hope is something that you are waiting for to happen, something desired. For example, we are waiting for Jesus to return; that is our hope. And we believe he is coming for us to take us to be with him; that is our faith. We have never seen Jesus, but our hope says we will see him and we shall be like him. Rom. 8:25 *But if we hope for that we see not, then do we with patience wait for it.* When you have hope in God you are waiting for something good to happen. You are waiting for God to turn that situation around. David said “I waited patiently on the Lord; and he inclined unto me, and heard my cry. He brought me up also out of a horrible pit, out of the miry clay, and set my feet upon a rock, and established my goings Ps. 40:1-2

David was waiting on the Lord to deliver him and He did. That was his hope because it involves waiting and God, who never fails, came through for David. He will come through for you as well. Is your hope and faith in God; are you waiting on him to help you?

When a soul has no hope, they are troubled; they are disquieted; this is what the bible says. Ps 42:5 Why art thou cast down, O my soul? And why art thou disquieted in me? hope thou in God: for I shall yet praise him for the help of his countenance.

The Psalmist had to encourage himself in the Lord to have hope in God. David was disquieted, which means afflicted, no peace, troubled. He new how to fix that. He encouraged himself in the Lord and

said, come on, have hope in God. Help comes from his countenance.

With everything that has been going on, people have lost their hope in the government, in the news, and in our school system. Because of COVID, people have lost their hope in almighty God.

Listen people, we need to come back to the God of Hope. Rom. 15:13 Now the God of hope fill you with all joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost. Why is He called the God of Hope and the hope of glory; because that is who he is.

This year 2021, we need to have faith and hope in God. Believe that he is more than able to bring you out. He can bring you out of that horrible pit, out of the miry clay, and set your feet upon a rock. Have hope in God; He is the way maker. *Pastor Juan Salinas*
